Reasons for Transfer

- ATMC is unable to continue to provide the course that the student is currently enrolled .
- The course the student wishes to transfer to better meets the study capabilities or the long term goals of the student.
- Compassionate or compelling circumstances that led to a permanent change in the student's circumstances causing the enrolment inappropriate to continue (e.g. Serious illness or death of a close family member). *Please attach supporting documents to this application if you select this option.*
- Other, please specify:

Important Information

- According to the National Code 2018 (legislation): Prior to a student completing 6 months of their principal course (highest course enrolment on the student's initial visa) , a letter of release is required for the student to transfer to another institute.
- Applications for internal release will be considered by the Management and responded within **10 working days** of being received by ATMC.
- Students must attend classes during this application process.
- An application for refund cannot be submitted at the same time with the letter of release application. This refund application might be submitted once the student has been granted the letter of release, in this case the refund calculation will be based on the date the student was granted the letter of release.
- If there is a gap in LLN result between the current course and the new course, students have to attend the LLN interview.
- Students to submit this Internal Release and Transfer Application Form EITHER by:
